Much like Viper Hoops Camp I, the emphasis for this camp will be on the fundamentals of basketball needed to be able to compete at the middle school and high school level. Skills to be taught by the Vandegrift high school and middle school staffs will include: dribbling, passing, rebounding, shooting, footwork, 1 on 1 offense and defense, and team concepts. In addition to all the skill work there will also be fun games and contests to compete against one another. If you have never been to a Viper Hoops Camp you are in for a lot of fun learning and playing the game of basketball. Please wear proper gym clothes and shoes for non-stop activity. A snack bar with camp bank (to hold money) will be provided. Labeled water bottles are encouraged. Basketballs will be provided.
