Special Notes:

Great Shooters are developed, not born! With that in mind, our mission is to provide a fun and competitive atmosphere for campers to maximize their potential as shooters. Campers will receive detailed instruction related to the technical and tactical aspects of shooting the basketball. We will cover a variety of topics related to the skill of shooting the basketball including: footwork, form, creating space, finishing the shot and developing the proper "shooter's mentality." This will be a fun and competitive camp for Incoming 4th - 9th Graders. Please note that once campers attend the 7th grade, they may only attend 2 camps within their attendance zone, but all other ages may go to as many as desired.
